

CHICAGO METRO

RICH ECOSYSTEMS WITH HIGH CONCENTRATION OF ENTERPRISES, FINANCIAL, CLOUD, CONTENT, AND IT SERVICE PROVIDERS

Our Chicago data centers are business hubs for 730+ companies. Customers can choose from a broad range of network services from 190+ network service providers and 145+ cloud providers. There is a dense concentration of financial services companies, cloud service providers, content providers, IT service providers and enterprises.

The Chicago colocation facilities contribute to one of the world's top global financial centers and are ideal for business continuity. These facilities allow customers to join a rich network of ecosystems comprised of financial service companies, cloud service providers, content providers, IT service providers and enterprises. The Equinix colocation facilities are located in either 350 Cermak (CH1, CH2 and CH4) or in Elk Grove (CH3).

Chicago metro facilities

The Equinix Chicago metro International Business Exchange™ (IBX®) data centers consist of four buildings with more than 296,000+ square feet of colocation space. These colocation facilities provide proximity to financial services companies, cloud service providers, content providers, IT service providers and enterprises in the metro area. This strategic Midwest location is ideal for business continuity and disaster recovery operations.
